### Description:

Highly detailed map of the Greece, the Greek Islands and the Aegean.

Fullarton's *Royal Illustrated Atlas*, the last highly decorative atlas published in England. Even the maps without views or figures are beautifully engraved and colored with a mixture of printed color and hand color. Swanston, Petermann, Bartholomew, Macnab and Johnson engraved the maps. The maps bear a superficial resemblance to Keith Johnston's Royal Atlas. Fullarton frequently gives the sources for his maps - for the United States maps he gives Calvin Smith and Tanner as sources.
