Scarce map of a part of North Carolina, showing Albermarle Sound, Pamlico Sound, Tyrrel County, Hyde County, Martin County, Caretore County and areas just to the West, including towns such as Columbia, Tarboro, Greenville, Newberne, Washington, Woodstock, Germantown and others.

Inset of Bermuda. An amazing work and a must for regional collectors. Perhaps the most detailed map of the region produced to that date. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. His treatment of the Western US is a landmark in the history of the cartography of the Western US, undertaking to map in 20 sheets a region which American publishers were virtually ignoring.
