**Muskeget Channel Massachusetts . . . 1859**

**Stock#:** 21974  
**Map Maker:** United States Coast Survey  
**Date:** 1859  
**Place:** Washington  
**Color:** Uncolored  
**Condition:** VG-  
**Size:** 28 x 21 inches  
**Price:** SOLD

**Description:**

Scarce blue-backed example of this coast survey map of Muskeget Channel, covering a substantial part of Martha's Vineyard and contiguous islands.

Includes a view of the lighthouse, several profiles views and extensive notes and sailing directions. While the map is not rare, it is unusual to see a blue backed version of the map.

**Detailed Condition:**

Bluebacked for use at sea. Minor loss of image in upper left corner.
