L'Empire D'Allemagne distingue suivant l'estendue des tous Les Etats, Principautes et Souverainetes . . . 1785

Stock#: 22006
Map Maker: Jaillot / Denis
Date: 1785
Place: Paris
Color: Hand Colored
Condition: VG
Size: 35 x 23 inches
Price: SOLD

Description:

Scarce late edition of Jaillot's map of the German Empire, extending east to include Poland and the Baltic Region.

The map bears evidence of having been defaced following the fall of the French monarchy, with references to the King of France removed, as is frequently the case with late 18th Century French books and maps, in an era where French nationalism meant ridding the country of all tributes to the King.
