**Coast Chart III From Monomoy and Nantucket Shoals to Muskeget Channel Mass**

**Stock#:** 22100  
**Map Maker:** U.S. Coast & Geodetic Survey  
**Date:** 1893  
**Place:** Washington  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 37 x 27 inches  
**Price:** SOLD

**Description:**

Highly detailed chart showing Nantucket Island and environs, extending north to Muskeget Channel.

This separately issued chart was intended for use for navigation and it contains all navigational information necessary for a ship's captain. Soundings and other navigational details are precisely depicted throughout the map. Interior information is shown in a narrow band along the Massachusetts' coast and for the entire interior of the island.

**Detailed Condition:**

Minor soiling and a marginal chip in the top margin. This example was printed on heavier paper and rolled for use at sea and has survived quite well for a map of this type.
