### Description:

Fine old color example of Mercator's detailed map of the the northern Baltic region.

The map is centered on Riga and extends south to Memel, west to Poland and part of Russia and north to the the Strait between Finland and Latvia, with Stockholm and Gotland shown. Decorative cartouche. Fine old color example. We have dated the map based upon its first printing, so it likely appeared in an atlas after 1595.

### Detailed Condition:

Old Color. Minor dampstaining in margin, just entering printed image in lower right corner.
