Description:

Scarce map of the area from Antibes, Nice, Monaco and Vintimiglia on the Mediterranean to Le Valle Protestestanti, Pinerolo, and the source of the Po River and the Durenza River in the Maritime Alps, from Rossi's rare *Mercurio Geografico*.

The map is a tremendous example of the fine topographical style of Rossi's maps, elegantly tracing rivers through steep defined mountain valleys. Includes a key in the lower left, depicting the symbols used on the map. An uncommon late 17th century map, based on the reports of Giacomo Cantelli da Vignola.

Detailed Condition:

Repaired tear in upper right margin.
