Description:

Detailed map of the New Jersey, in the midst of the American Revolution.

The map shows early counties, towns, roads, rivers, islands and other detailed features. Keith's line of 1687 is shown, as is the Division Line of 1743 between East and West Jersey.

While the map is theoretically not rare, this is the first example we have offered in nearly 20 years.

Detailed Condition:

Repaired tear in right side of map, extending into the printed image about 1/2 way into the map. Archival repaired on the verso.
