Description:

Scarce map of the region bounded by the Ligurian Coastline, the Monferrato Di Mantova, the eastern part of Piemonte, Le Langhe and Genovesato.

The map is a tremendous example of the fine topographical style of Rossi's maps, elegantly tracing rivers through steeply defined mountain valleys. Includes a key in the lower left, depicting the symbols used on the map. An uncommon late 17th century map, based on the reports of Giacomo Cantelli da Vignola.
