**Description:**

Detailed map of coastlines of the North Pacific, tracking the discoveries of Captains Cook and La Perouse in Asia, Hawaii and the NW Coast of America.

The map provides a detailed treatment of the western coast of North America from California to Alaska, and the east coast of Asia from Tartary to Korea, including Japan and the Sandwich Islands (Hawaii). It also depicts the Arctic discoveries of Mackenzie (1789). The tracks of La Perouse and Captain Cook are shown.

A scarce map, which as only appeared 1 or 2 times at auction and in dealer catalogues in the past 10 years.

**Detailed Condition:**

One minor spot near centerfold
