Description:

Town plan of Barcelona with a bird's-eye-view of the harbor, at the left and right side with a text about the city and a legend, published in Bodenehr's *Curioses Staats und Kriegs Theatrum*.

The view shows the fortified town of Barcelona, harbor and surrounding areas, which are noted in the key on the right side, along with a town history on the left side. The Bodenehr family of engravers and publishers of Augsburg began with Johannes Georg Bodenehr (1631 - 1704), a publisher of atlases and geographical books. His son Gabriel Bodenehr (1664 - 1758) took over the plates of Johann Stridbeck (1640 - 1716) and revised and issued them together with many other own views and maps in his books and atlases. In 1758 Georg Christian Kilian (1709 - 1781) took over his the publishing house.
