**Carte Des Isles Antilles ou du Vent, Avec La Partie Orientale Des Isles Sous Le Vent**

**Stock#:** 2325  
**Map Maker:** Bonne  
**Date:** 1780  
**Place:** Paris  
**Color:** Outline Color  
**Condition:** VG+  
**Size:** 12 x 8.5 inches  
**Price:** SOLD

**Description:**

A detailed map of the eastern Caribbean, extending from Puerto Rico in the Northwest to Tobago and Barbados in the Southeast. Includes many islands which are often not even named on larger maps of the Caribbean. A nice rich dark image. some hint of the changes to come along the Northwest coast, although still largely conjectural. A marvelous map in fine condition.

**Detailed Condition:**
