#### Description:

Nice detailed map of Jamaica, from the second edition of Carey & Lea's Atlas.

One of the most detailed maps of the Bahama Islands to appear in a Commercial Atlas. Lengthy narrative text below includes details about the islands, climates, towns, soils, government and history of each. Increasingly rare on the market. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827.

#### Detailed Condition:

Discoloration at centerfold, as is often the case with maps from this atlas. Fold split at lower centerfold.
