Description:

Rare map of Bohemia by Johannes A. Montecalerio, published in *Chorographica Descriptio Provinciaru & Conventum...* in Milan.

The map is centered on Praga (Prague) and extends from Breslaw and Rumberg in the north to the Danube, Budweis and Nicolsbar in the south.

The engraving style is bold and unique, not at all similar to contemporary cartographers. There were two editions of Montecalerio's work, the second published in Turin in 1712.
