Description:

Rare separately published map of San Francisco & San Mateo Counties, published shortly after the San Francisco Fire.

The primary feature of the map is the many ranchos which still appear on the map (approximately 30), along with a number of townships, railroads and other contemporary details. The map extends north to Sausalito, West Berkeley and Rancho Laguna and south to Point Ano Nuevo, Boulder Creek and Glenwood. The map extends east to Rancho Arroyo de Alameda and Rancho Rinconada De Los Gatos.

The map is apparently quite rare. OCLC locates only 1 example (Bancroft Library, UC Berkeley).

Detailed Condition:

Dissected and laid on linen. Original boards and printed paste down label.
