**Description:**

Bertius' famous world map (Shirley 291) is here bound into Voume one of Merula's Cosmographia, published by Blaeu. The book describes the heavens, oceans, poles and other features of the earth. This edition was unknown to Shirley. The map was originally included in Bertius' Geographicum. A classic early 17th Century book bound into a scarce work, published by another of the great Dutch cartographic houses.
