Description:

Highly detailed German map of the US Territories west of the Rocky Mountains immediately prior to the discovery of gold in California. The cartography is primarily after Fremont. Salt Lake City is Neu Jerusalem. A number of mythical mountain ranges are shown in Nevada. Shows towns, roads, explorers routes, rivers, mountains, lakes, forts, Indians and other details. Nice coverage in Oregon Territory as well, extending to Ft. Union on the Missouri. Many Colorado mountains identified. One of the best Topographical and Geographical coverages of the West to appear in a mid-19th Century atlas, surpassing the detail of Mitchell, Tanner, Morse and other atlas publishers of this era.
