Description:

Nice detailed map of the World, showing the extent of the explorations in the Pacific, including the tracks of Cook's voyages the extent of explorations in Alaska and the incomplete knowledge of Australia. Van Dieman's Land still connected to the Mainland. Very attractive wash coloring. Robert Wilkinson was active in London as a cartographic publisher from 1785 to 1825. He produced a number of nice works, including a General Atlas and a re-issuance of Bowen & Kitchen's English Atlas, along with excellent large format separate maps.
