**Price:** SOLD

### Description:

Detailed large format map of the Province of Barcelona, which was published both separately and for the *Atlas de España y sus Posesiones de Ultramar* by Francisco Coello.

The map is extremely detailed and includes large insets of the city of Barcelona, along with 3 other cities and a map showing the topographical details of the region. There are a number of statistical tables and facts surrounding the map.

Coello's maps are the most detailed and useful maps of the period and treat the regions of Spain depicted in extraordinary detail.

### Detailed Condition:

Dissected and laid on linen, with publishers original paste down title on the linen.
