Description:

Excellent early map of these three territories. Wyoming is shown with only 5 counties. Idaho has 10 counties and Montana has only 13. Yellowstone National Park is noted as a Proposed national park. Many Indian Tribes are shown, along with Reservations. Early Railroad lines are shown, along with stations, towns, etc. Includes early forts, mountains, rivers and other details. This is one of the best maps of the period and a series of these maps over the next 10 years tracks the fast expansion of knowledge of the region, driven by mining booms and government mapping and explorations.
