Description:

Fine old color example of the Pieter Schenk edition of Blaeu' map of Austria.

The map is centered on the Danube River, from the Bavarian border to Pressburg, centered on Wien (Vienna). The map originally appeared in Blaeu's Atlas Novus. Schenk acquired the plate after the fire in the Blaeu publishing house and re-issued this edition, with the text in the lower right cartouche removed and gradient lines added carefully, so as to avoid altering any of the place names.

A rare edition of this fine decorative map.
