Description:

Rare British Admiralty sea chart of St. Barts, St. Martin, Anguilla and neighboring islands, based upon the surveys of Captain E. Barnett of the Royal Navy.

The chart provides detailed soundings for the area, topographical features and includes place names on St. Barts, St. Martin and Anguilla. Includes 3 profile views of approaches to the major islands.

The chart is very rare, this being the only example we have seen on the market in the past 20 years, with no reported auction or dealer catalog records.
