Description:

Finely engraved map, embellished with a Siberian vignette, showing the extent of explorations in Alaska and in search of the Northeast and Northwest Passages. Remarkably detailed and up to date information in Alaska. Malte Brun's Atlas Complet Du Precis De La Geographie Universelle... published in Paris in 1812 and after is an often overlooked gem of contemporary cartography. A review of its preface indicates that Malte-Brun incorporated information from a number of Malte Brun's Atlas Complet Du Precis De La Geographie Universelle... published in Paris in 1812 and after is an often overlooked gem of contemporary cartography.
