### Description:

Detailed early promotional map, advertising for sale lots in La Jolla in "the Strand", which appears to be a portion of the Barber Tract.

Includes a map of San Diego with a large inset map of La Jolla and full size map of the County on the Verso.

This is the earliest obtainable map we have owned which included a map and promotional graphics (and illustrations) focused on La Jolla. Includes illustrations of La Jolla Boulevard, the Boardwalk and pier, Cottages, view of the beach and Natural Bridge, before it collapsed.

### Detailed Condition:

Folding map with original covers, printed on two sides.
