### Description:

Scarce oil related map of Central California from Rancho San Emido north to Hanford and Visalia, with Bakersfield, Coalinga, Tulare Lake, etc.

The gas and oil fields are colored - among them are the Midway Sunset Field, the Lost Hills Field; Kettleman Hills Field, Coalinga Field, Kern River Fields, etc. Four fields have been added in ink manuscript, apparently late strikes.

No copies of this map are lists in OCLC/WorldCat.

### Detailed Condition:

Waterstained and other minor flaws.
