### Description:

A scarce and highly detailed Spanish Hydrographical chart, extending from the Jupiter, Florida area to about Long Key, and including a large portion of the Island of Cuba and much of the Bahamas.

The detail of the soundings, ports, harbors, keys, inlets, islands, reefs, etc., is nothing short of remarkable. Ft. Jupiter, Ft. Lauderdale, and Ft. Dallas are shown, as are Boca Ratones and Jessups Battleground in 1838. A wonderful large format map.
