### Description:

Scarce early map of Orange County, focusing on the roads through the county.

The southern part of the County is virtually uninhabited.

### Dating

The map shows San Clemente as a named location. San Clemente was named in 1928. It also shows the completion of the Coast Highway between Laguna Beach and Doheny Park, which took place in late 1928. The map cover design is typical for Auto Club issues between 1927 and 1933.
