Stock#: 30126
Map Maker: Laurie
Date: 1821 circa (20th Century)
Place: London
Color: Color
Condition: VG
Size: 28 x 20 inches
Price: SOLD

Description:

Photo-reproduction of R.H. Laurie's extremely rare map of the Virgin Islands.

Here, the islands of Great and Little Passage off the coast of Puerto Rico include the modern names of Culebra and Culebrita.

Bieque Island is now Vieque Island and the name of Sail Rock is added to Bergantin or Carvel. But Flanagan Island has switched names from Witch Island to Flanagan or Flemingham Island, while Pelican has become Witch Island. While clearing up the confusion between the names of Flanagan and Pelican, the chart is almost-spot on with St. Thomas and St. John coordinates.

We offer here a 20th Century reproduction. We have not previously handled the original 1821 edition of the map.
