Description:

Highly detailed map of Africa, at a time when the interior of the continent was still relatively unknown.

'The Weekly Dispatch' newspaper between the years 1856 and 1862 included in each edition a map of a part of the world. During this period a total of 118 maps were issued. The maps bear the distinctive sign of a half globe with the figure of Mercury above. The engravers varied but included John Dower and Edward Weller.
