### Description:

Fine detailed plan of the island of Martinique, first published by Guillaume De L'Isle.

Excellent detail throughout includes realistic depictions of bays, mountains, islets, lagoons, forests, etc., which are combined with details of human development of the flourishing colony. Each town, plantation house, windmill, watermill, and sugar works is indicated, as well as gun emplacements, fortifications, anchorages, and government houses.

A fine detailed chart with two decorative compass roses and rhumb lines.

### Detailed Condition:

Minor printer's crease at top center
