Description:

Detailed plan of the City of Paris and the immediate surrounding area, most of which is now within the City.

The map shows places like Montmartre, Clignancour, La Villette, Vincennes, La Chapelle, Clichy, Pont de Neuilly, Issy, Vaugirard and Gentilly at a time when they were still small villages and not yet absorbed within the urban sprawl of Paris. St. Denise appears at the top.

The map shows a number of early roads and bridges across the Seine and Marne Rivers. A nice look at Paris and environs as it existed at the beginning of the 18th Century.
