#### Description:

Well engraved map of South America colored by countries and showing nice topographical detail in the interior, although large portions of Amazonia remain unexplored.

Shows towns, rivers, mountains, lakes, etc. Striking original wash colors.

Robert Wilkinson was active in London as a cartographic publisher from 1785 to 1825. He produced a number of nice works, including a General Atlas and a re-issuance of Bowen & Kitchen's English Atlas, along with excellent large format separate maps.
