Description:

One of the best and most highly detailed maps of Arizona Territory of the period, published by the General Land Office.

The map was produced by the Dept. of the Interior, under the Supervision of Harry King. This edition is revised and reconstructed by R.H. Morton. The legend notes, the various US Surveyor General's offices in the Territory, US Land Offices, Indian Reservations, Military Reservations, Private Claims Confirmed, Private Claims Unconfirmed, and Townships not yet subdivided. The map notes towns, roads, railroads, railway and stagecoach stations, mines, wells, mountains, rivers, and a host of other details.

These maps evolved quickly. A link to the 1903 edition shows significant additions in the following two years: `{{ inventory_detail_link('20555') }}`

An essential map for Arizona collectors.
