Description:

Scarce map of Lake Geneva and environs, with a plan of the City, published by Philippe Buache.

Buache's map is based upon an early map by Antoine Chopy, published in 1730, which was constructed from manuscript maps by J.C. Fatio and I.G. de Roverea. The map has been revised to show the borders following the Treaty of Turin, signed March 24, 1760. This map was prepared on May 1, 1760, just one month after the treaty.
