Description:

Highly detailed map of the Southern Half of Tasmania. Shows Port MacQuarie in the East and Vanderlyn Schier Eiland in the West. Already a very detailed treatment, with 22 Counties shown, plus extensive text notes. Many of early place names. Several minor wormholes in the blank sea. A good example of this early and highly detailed regional map. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. Offered as a pair with #3127 for \$595.00 while both are available.
