Description:

Rare chart of the mouth of the Cape Fear river, prepared by Le Rouge in connection with France's participation in the Revolutionary War.

The map extends from Brunswick and Hazel Point in the north to the tip of Cape Fear, centered on Fort Johnston and including extensive sailing directions.

The chart was included in Le Rouge's rare North American Pilot, an atlas of Sea Charts compiled by the French Government and utilized by the French Navy during their participation in aid of the Americans during the American Revolutionary War. A fine wide margined example of this scarce French Naval Chart.
