Stock#: 31563
Map Maker: Ottens
Date: 1750 circa
Place: Amsterdam
Color: Hand Colored
Condition: VG+
Size: 23 x 19 inches
Price: SOLD

Description:

Ottens' edition of Remmet Teunisse Backer's scarce and interesting Dutch produced celestial chart, which shows the constellations in a Mercator-projection type format, allowing for the constellations of both the northern and southern hemispheres to appear on a single projection.

A chart of measurements organized by zodiac sign is shown in the lower portion of the chart. First issued by Remmet Teunisse Backer in 1709.
