### Description:

Fantastic early view of Avalon, taken from a photograph by P.V. Reyes.

The view pre-dates the construction of the Casino and shows several piers, tents along the beach, early hotels.

In addition to being an early Catalina photographer (active as early as the first decade of the 20th Century), P.V. Reyes would later become the Mayor of Avalon. Among other credits, his work would appear in Zane Grey's *Great Game Fishing In Catalina* (1919).
