Nord-Americanische Freistaaten 1845

Stock#: 3219

Map Maker: Meyer

Date: 1845

Place: Hildburghausen

Color: Hand Colored

Condition: VG

Size: 14 x 11.5 inches

Price: SOLD

Description:

Detailed map of the United States, showing Texas as a Republic and Upper California as part of Mexico, from Meyer's Hand Atlas. A highly detailed and unique map, which includes large western Territories including Ozark District, Osages Districk, Sioux District, Huron District, Mandan District and Oregon Disrict. While many of the maps in this atlas are based upon the work of Tanner and SA Mitchell, this map is clearly a unique product and lacks the Paris and Philadelphia references present on many other maps from this atlas. A scarce and desirable map.
