Description:

Fine early map of Africa by Pierre Du Val, published in Paris in 1676.

Du Val first issued this map in 1664. In the second edition, he adds the words "Reveue et Augmentee". In the third edition of 1684, the Du Val Imprint is changed to "Mlle. Du Val".

The map provides an extensive if at times fanciful mapping of the interior parts of Africa.

The sources of the Nile are shown as Lake Zaire, Lake Saflan and a series of smaller lakes in "Abissinie or Haute Ethiopie."
