Description:

Scarce decorative large format view / map of the area around Los Angeles, extending to Laguna Beach, Twenty Nine Palms, Las Vegas, Death Valley and Ventura.

Marvelous artistic topographical treatment of the region, with dozens of towns named.

From 1969 to 1974, Jack Moffett prepared a number of similar maps for Cooper Enterprises of La Jolla, including maps of Colorado, San Diego, California & Nevada, Sequoia & Kings Canyon, Hawaii, Pacific Northwest, Baja California, Southern California, New Mexico, Bishop, Yosemite, San Francisco, Inyo & Mono County, and others.

Moffett's first work appears to be a map called "All year vacationland. . ." published in Bishop by Chalfant Press, for Brock's Sporting Goods in 1966.
