**Description:**

Rare map of Virginia, Maryland and the Chesapeake region published by Pierre Vander Aa in *La Galerie Agreeable du Monde*, in 1729.

Vander Aa's map is one of the rarest of the John Smith variant editions. Based upon the Hondius/Blaeu proto-type, the plate was first engrave by Jacob van Meurs in 1671, with significant revisions by Vander Aa for his extremely rare *La Galerie Agreeable du Monde*.

This is the first example of the map we have offered for sale in our 20+ years in the trade (1992-2013).
