**Description:**

Nice example of this detailed map of the Leeward Islands, from the first edition of Carey & Lea's Atlas.

One of the most detailed maps of the region to appear in an early American Atlas. Lengthy narrative text below includes details about the islands, climates, towns, soils, government and history of each. Colored coded by possessions Increasingly rare on the market. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827.
