### Description:

Fine example of Wilkinson's map of Scotland.

This is an extensively revised example of the map, with three paragraphs of notes at the left on the history of Scotland and an inset of the Shetland Islands.

The map is hand colored by counties and showing towns, rivers, lakes, islands, et cetera.

Robert Wilkinson was active in London as a cartographic publisher from 1785 to 1825. He produced a number of nice works, including a General Atlas and a re-issuance of Bowen & Kitchen's English Atlas, along with excellent large format separate maps.
