Description:

Rare first edition of De L'Isle's map of Poland, one of the most influential commercially maps of Poland published at the beginning of the 18th Century, by perhaps the most important map maker of the period.

The map extends to the Baltic and the Ukraine.

The first edition can be recognized by the early De L'Isle address, Rue de Canettes, the reference to De L'Isle's 20 year privilege for publishing the map (Avec Privilege du Roy pour 20 ans).

This is the first example of the map we have offered for sale in over 20 years.
