Price: SOLD

Description:

Detailed map of Ireland, hand colored by counties. Shows towns, rivers, lakes, a few roads and islands. Payne's Universal Geography is one of only a hand full of atlases published in the United States in the 18th Century and is now quite highly sought after by collectors, as an example of 18th Century American Printing. One of the earliest maps of this region printed in America. One of the earliest maps of this region printed in America.
