## Carte Reduite Des Decouvertes Des Russes Entre l'Asie et l'Amérique . . .

**Stock#:** 35947  
**Map Maker:** Bellin  
**Date:** 1764  
**Place:** Paris  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 11.5 x 7.5 inches  
**Price:** SOLD

### Description:

Fine example of the reduced size copy of Bellin's map of the Northwest part of America and Northeast Part of Asia.

The map illustrates the prevailing theory on the shape of Alaska and the Aleutian Islands and is based upon the work on Muller. The map includes extensive notes regarding early explorers along the Northwest Coast, including Sir Francis Drake, Admrial Font, Juan de La Fuca, Martin Aguilar and others.
