Rare separately issued map of Atlanta, compiled by E.B. Latham of Atlanta and published by William A Flamm & Co.

An exceptionally detailed map of Atlanta, identifying numerous land owners, subdivisions, streets, railroad lines, turnpikes, etc., with a street directory in the lower left corner.

Large format maps of Atlanta are very rare on the market. We locate no other separately issued large maps of Atlanta in AMPR in the past 30 years. Latham apparently published another map of Atlanta in 1894 with an inset map of the Cotton States and International Exposition Grounds, published in Atlanta, for which one example is located by OCLC.

Discoloration along several fold lines.
