Stock#: 36277dp
Map Maker: Anonymous
Date: 1800
Place: Berlin
Color: Uncolored
Condition: VG
Size: 18.5 x 16 inches
Price: SOLD

Description:

Interesting map of the United States with large inset of the South Carolina and Georgia.

The map extends east to include the confluence of the Kentucky and Ohio Rivers and names Kentucky, but not Ohio or Tennessee. Includes nice detail in the Trans-Appalachian and Trans-Allegheny regions and includes Weld's route through Virginia. Wesern Territory is shown below a Lake Erie, including the names of a number of early Indian Settlements.

The map shows the route of Isaac Weld through the United States.

A note in the upper left corner identifies the regions in which the Christian Indians reside. An interesting 18th Century map of the United States.
