### Description:

Large detailed chart of the Balearic Islands with a large inset of Mahon, published in *L'Hydrographie Francoise*.

The map provides a highly detailed depiction of the three islands, with excellent detail on both the coastlines and interiors of the three islands.

The large plan of Mahon shows its extensive fortifications, soundings and navigational details.

The map was very influential and was later copied by Covens & Mortier, the Homann Heirs and Matthaus Seutter.

### Detailed Condition:

Minor discoloration in lower right corner and one minor spot.
